

Higher Education

The cornerstone for your roadmap of academic excellence

Deliver quality programs and assessments, on par with accreditation quality standards.

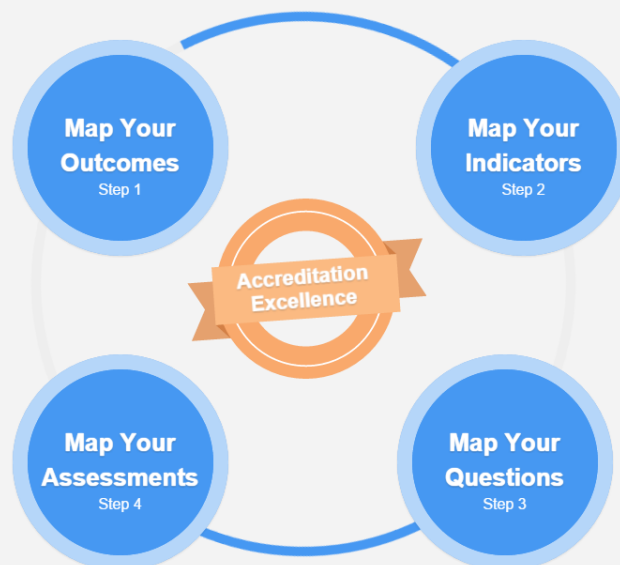

Get The Recognition You Deserve

SwiftAssess helps universities achieve accreditation requirements for their programs seamlessly through its Assessment methodology

Our Assessment methodology, simplified and proven

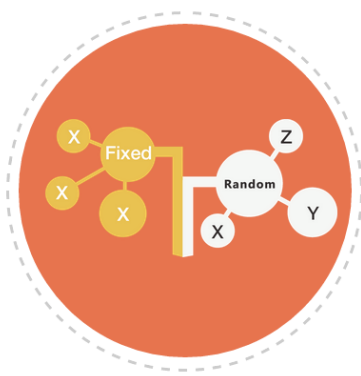

Building a solid foundation for your academic programs

Multiple Ways to Ask a Question

Everything from a simple **True/False question** to a **3D-Based question** - We have all you need to make your assessments more powerful, enriched and multi-disciplinary

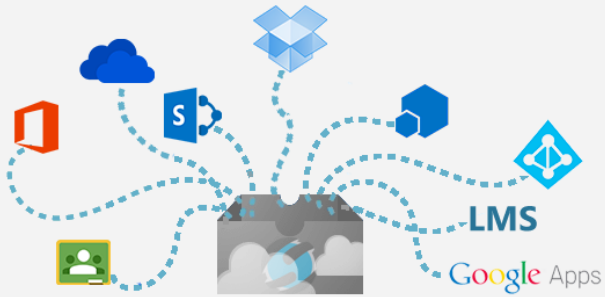

Multiple Ways to Configure a Test

From self-assessments to high-stakes exams, SwiftAssess gives you the power to fine tune your test settings according to your needs

Multiple Ways to Deliver a Test

Whether you prefer to run assessments **via Paper** or **Paper-less**, SwiftAssess delivers re-imagined and automated channels that suits your needs

Connect to on & off-premise applications and services

SwiftAssess integrates with a variety of LMS, SIS and CMS systems out of the box

A 360° View Of Your Assessment Strategy

Unlock deep insights into your Tests, Questions, Students and Academic Programs Performance

Get **Actionable Data** and **Qualitative Analysis** to help you take the right decisions and remedy different areas of weakness

Set your expectations and **Benchmarks** and let SwiftAssess inform you when you reach them or lack behind

Safety, Security & Integrity for your assessments

Our Consultancy At Your Service

Our consultancy services will enable you to plan for success by guiding you through all required steps and milestones. Our team of experts will help identify what is needed through a detailed Status Analysis (Gap), provide an achievable roadmap which counts for your available resources, and assist with any challenges during implementation.
