

Primary to 12

A Refined Assessing Experience

SwiftAssess brings a new dimension to the way **students and teachers** communicate. We take the traditional grading and assessment methodology from a mess of paper stacks to a simple centralized system.

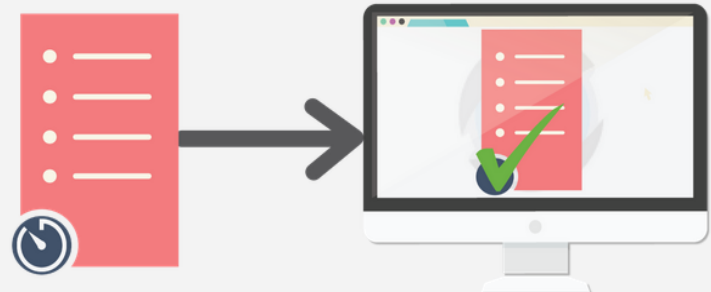

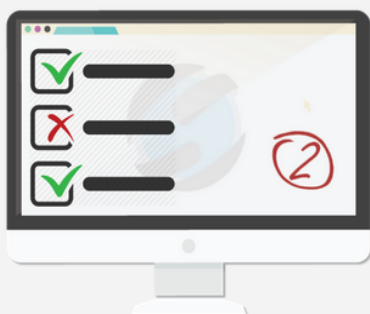

Happy Teachers = Happy School

SwiftAssess makes the teaching experience more durable by relieving the teachers of the load resulting from the manual process of preparing tests, marking questions, and reporting results

Grading: Easier Than Ever!

Automated Grading

Save time and effort with a rich variety of automatically graded questions

Simplified Manual Grading

Evaluate students responses easily from a centralized location

Align your assessments with standards

SwiftAssess helps you map your assessment activities to the right standards and provide metrics to measure effectiveness and quality

Start asking the right questions with SwiftAssess

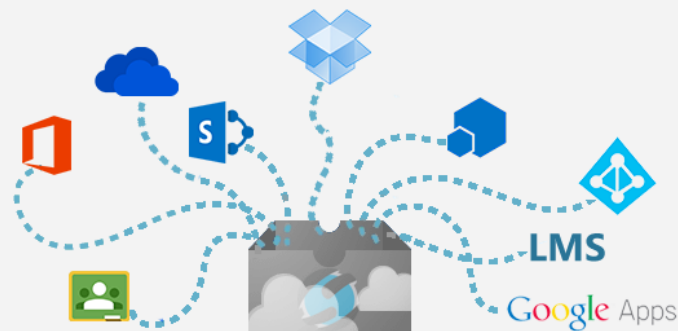

Test your students in a variety of fields

Easily configure and deliver your assessments on multiple platforms

Make informed decisions about your assessment strategy

Connect to all your existing applications

SwiftAssess is ready to integrate with multiple platforms at any time.

More Analytics, More Insights

Track every aspect of your assessment strategy including your curriculum, students, assessable items, and more.

Observe your students' progress over their academic journey

Consolidated analytics gives you a 360° view of your assessments performance

Access SwiftAssess: Anytime. Anywhere

**Safety, Security & Integrity for
your assessments**

Our Consultancy At Your Service

Our consultancy services will enable you to plan for success by guiding you through all required steps and milestones. Our team of experts will help identify what is needed through a detailed Status Analysis (Gap), provide an achievable roadmap which counts for your available resources, and assist with any challenges during implementation.
