SwiftAssess for Education

www.swiftassess.com

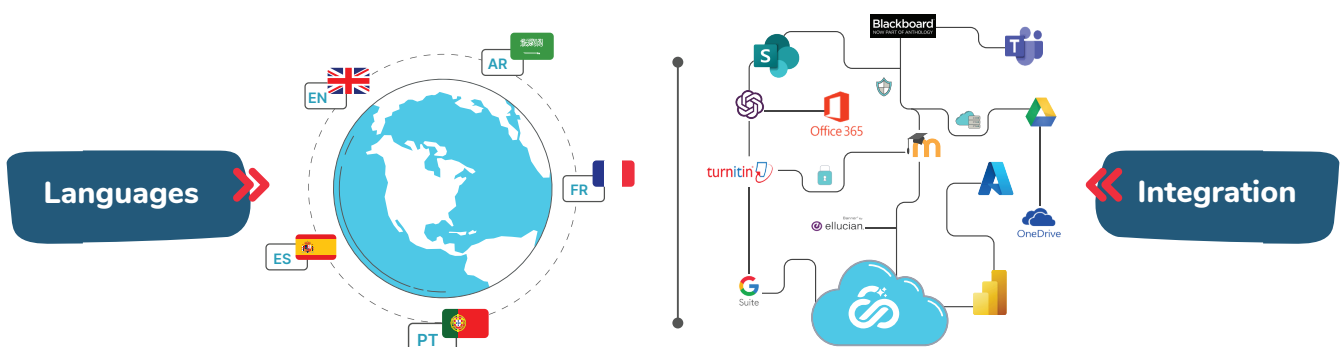

[f](#) [X](#) [@](#) [in](#) [@gamalearn](#)

SwiftAssess is a **Comprehensive, Outcome-based Assessment Management Platform**, providing an end-to-end turn key solution for organizations and institutions, covering everything from **Authoring, Scheduling, Delivering, Grading** and **Analyzing** Exams, Assignments, Projects, Practical Evaluations.

Why SwiftAssess for Education Assessments?

- Provides solutions for **Digital, Paper-Based, or Hybrid Exams** (online/offline) as well as covering advanced assessment schemes such as **Practical Evaluations, Assignments, Projects, Adaptive Testing**, and more.
- Comprehensive support for **Computer Labs, VDIs, 1:1 Devices or BYOD**. Covering everything from **Windows, Mac, Chromebooks, iOS** and **Android**
- Advanced security measures including **Secure Browsers, Native Secure Apps, AI Proctoring, Watermarking**, and more!

SwiftAssess for K-12

SwiftAssess for K-12 provides a robust solution for comprehensive assessment needs, supporting multiple curriculums such as **American, British, International Baccalaureate**, and **various national frameworks**. The platform extends to **TVET schools and ministries**, enabling the creation of **formative, summative**, and **national exams and personalized assessments**.

SwiftAssess addresses the challenges of digital testing with **secure, cost-effective tools designed for institutions of all sizes**.

SwiftAssess is **curriculum-agnostic**, allowing institutions to easily import curriculum blueprints from a vast library of **SME-curated content**, covering **international and national curriculums**. The curriculum management features support the customization and adaptation of unique educational frameworks, including **learning outcomes, assessment policies, and content**.

SwiftAssess integrates **question bank authoring** that aligns questions with curriculum hierarchies and outcomes, ensuring accurate tagging and advanced AI-based item creation.

Highlighted Clients For K-12

Parent Engagement

Empowering Parents with Enhanced Educational Reports

Individual Student Insights

Easily track your child's strengths and weaknesses across subjects with comparative analysis to peers. Understand their test performance through specific data on time management and question difficulty.

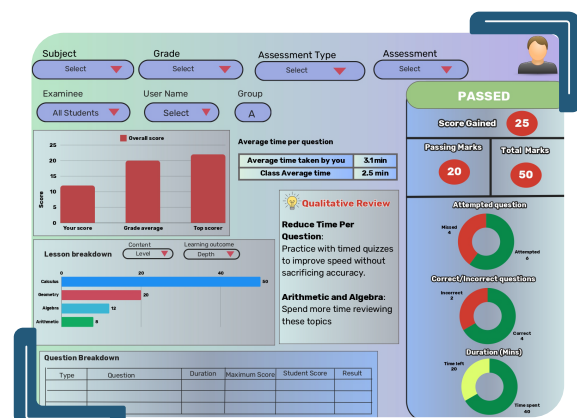

Learning Outcome and Exam Analysis

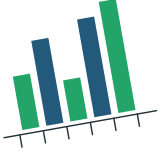

Gain insights into how well your child grasps learning outcomes and identify specific challenges through detailed exam reports. Use these insights for meaningful discussions with teachers and to provide targeted support.

Accessible Reports for Better Support

Monitor your child's progress through the Student and Exam Performance Pages. Get tailored resources, suggested activities, and direct communication with teachers to ensure your child's academic success.

SwiftAssess for Higher Education

SwiftAssess empowers Higher Education institutions with diverse solutions for digital and hybrid exams. Its robust features accommodate various question types, assessment formats, and delivery methods, ensuring seamless accreditation compliance. It extends beyond traditional classrooms to support distance learning with **Online Assessments** and **Remote Identification**, while also facilitating **Comprehensive Course Evaluations** through various activities.

Accessibility

-

The diagram illustrates a web browser window with a light blue header and a light green sidebar. The main content area contains a form with three sections: TO, SUBJECT, and BODY. The TO and SUBJECT sections each have a single-line text input field. The BODY section has a multi-line text area. Within the BODY text area, there is a rich text editor toolbar. The toolbar includes a font size dropdown menu currently set to 12, a bold button (B), an italic button (I), a bulleted list icon, and a link icon. Below the toolbar, the text area contains several horizontal lines. A small inset window is shown in the foreground, partially obscuring the BODY text area. This inset contains a color picker with two swatches, one orange and one green.
